

2009/2010 ELIGIBILITY SCREENING TOOL NATIONAL LIVING DONOR ASSISTANCE CENTER (NLDAC)

Program eligibility is based on **recipient and donor** household income. NLDAC cannot reimburse donor travel if the recipient can pay for those expenses. The ability to pay for the donor's travel is based on 300% of the HHS Poverty Guidelines and the NLDAC Preference Category Matrix (see below). If the recipient's income is above 300% of the HHS Federal Poverty Guidelines, the donor may still be eligible if the recipient can show financial hardship on a completed NLDAC Financial Hardship Waiver Request Form. Income verification documents must be submitted by the **donor and recipient** households and kept on file at the transplant center for reference. Documents used to verify income include: most recent year tax return, pay stubs, documentation of Medicaid, HUD Section 8, WIC, SSDI or other documents. Please feel free to contact the NLDAC office if you have questions.
